

It's congratulations to one of our ex rescue dogs Scooby. He's been accepted as a PAT dog by Pets As Therapy, a registered charity providing therapeutic visits to hospitals, hospices, nursing and care homes, special needs schools etc by volunteers and their fully assessed dogs and cats. Scooby has a fantastic calm and placid temperament and can be often seen at the kennels walking with the rescue dogs, especially Otto. Now he can help people as well. WELL DONE SCOOPY!
